TO THE KENYAN DIASPORA

RE: REQUEST FOR INFORMATION ON DIASPORA BUSINESSES

As per the mandate of the State Department for Diaspora Affairs to support Kenyans abroad in harnessing opportunities for employment and enterprise development, it is essential to have a robust platform to consolidate and promote the growth of Kenyan businesses in the Diaspora.

In this respect, the Department is in the process of developing a comprehensive database of Kenya Diaspora businesses. This is aimed at enhancing the Department's ability to offer targeted support, promote trade and investment opportunities, and strengthen the economic ties between Kenya and its Diaspora. The database will also serve as a valuable resource for identifying key sectors and business activities, facilitating networking, and fostering collaboration.

This is to therefore request the Diaspora to share information on owned businesses in the following format:

1. Name and type of business;
2. Location; and
3. Contact person (s)

Any responses could be shared with our official email: office@kenyaembassyvienna.at at your earliest convenience.
