**RE: WEBINAR ON DIASPORA INVESTMENT STRATEGY**

In line with the State Department for Diaspora Affairs mandate to develop an incentive framework for diaspora remittances; harness diaspora savings; facilitate Foreign Direct Investment (FDI), and mainstream the Kenyan diaspora into national development, the State Department has developed a draft Diaspora Investment Strategy. This Strategy will serve as a critical guide for Diaspora Direct Investment (DDI) into the country.

In view of the above, the State Department has organized a virtual webinar whose purpose is to gather valuable insights, perspectives, and input directly from the diaspora to this national effort. The webinar is scheduled on **Wednesday 15<sup>th</sup> January 2025 from 15:00 – 17:00 CET.**

You are all kindly requested to register through the following link:
